Dear Bob:

Having now completed our second construction project with CPM, we want to take the time to express our appreciation for the wonderful job that you and your staff have done. It was a pleasure to work with such a professional and experienced team.

A construction project can be a daunting task and CPM worked closely with us to simplify our decisions and make sure that we understood each phase of the construction process.

Thank you and we look forward to working with CPM on future transactions.

Sincerely,

David E. Cooper  
President
