The Oliver Ground Breaking

Located in Yorktown, IN, The Oliver will encompass apartments with retail below. Members of the Yorktown Town Council, Rebar Development and CPM Construction gathered to break ground on the upcoming development. CPM is so excited to be apart of this team and see this project take shape.

IMPD Northwest District Headquarters Ground Breaking

The weather pushed the groundbreaking for the new IMPD Northwest District Headquarters inside, but it was still a celebration for this much needed new facility. CPM is honored to be apart of this community based policing initiative for Indianapolis.

Completed Projects

Holy Angels Catholic Church

Holy Angels Catholic Church has been waiting for the day their new church would be completed for many years. CPM was so honored to be apart of this project and give Holy Angels a new place to worship. On June 9th the new facility was dedicated and officially opened.
